

Cookie Policy

THE DAVID BOATWRIGHT PARTNERSHIP LIMITED

This policy explains the cookies and similar technologies used on www.boatwright.co.uk. It should be read with our Privacy Policy.

1. What cookies are

Cookies are small text files that a website saves on your computer or phone. They let the site work properly, remember choices you have made or, on some websites, track what you do. Similar technologies, such as scripts and browser storage, can do the same job. We use the word “cookies” for all of them.

2. Our approach

We do not use analytics, advertising, social media or tracking cookies, and we do not build profiles of visitors. We use only what is needed to run and protect the site, plus one cookie that remembers you have closed our newsletter box. Because of this we do not show a cookie consent banner. If we ever add cookies that need your consent, we will ask for it before they are set and update this policy.

3. Cookies and similar technologies we use

4. Links to other websites

Our site links to our pages on Facebook, Instagram, YouTube, X and Pinterest, and to other websites. We do not embed their content, so they set no cookies while you are on our site. If you follow a link, that website's own cookie and privacy policies apply.

5. How to control cookies

You can delete cookies, or block them altogether, in your browser's settings. Look under “Privacy” or “Security” in Chrome, Edge, Safari or Firefox. If you block all cookies our site will still work, although the newsletter box may reappear on each visit.

6. Changes and contact

We will update this policy if the cookies we use change. If you have any questions, contact us at 1 Chilford Court, Rayne Road, Braintree, Essex CM7 2QS, by email at sales@boatwright.co.uk or on 01376 552399.
